

CITY OF SAN RAMON

IRON HORSE TRAIL USERS

PLEASE STAY ON PAVED TRAIL PLEASE KEEP DOGS ON LEASH

The Iron Horse Trail is a regional trail facility that provides an excellent recreational experience for users. The Iron Horse Trail is operated and maintained by the East Bay Regional Park District (District).

Recently signs have been installed along the southern portion of the trail in the City of San Ramon, from Montevideo Drive south to the Royal Vista Golf Course. These signs remind trail users to

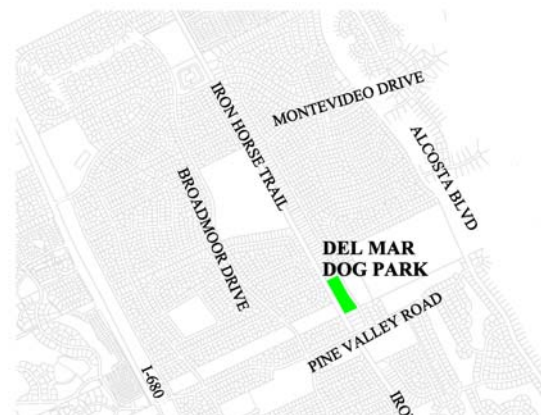

“Please Stay on the Paved Trail”
and
“Please Keep Dogs on Leash”

These signs were installed to preserve South San Ramon Creek, a creek habitat area and drainage facility, adjacent to the trail. While the City of San Ramon is responsible for the operation and maintenance of this portion of South San Ramon Creek, the Creek is actually located on individual private properties.

The signs remind trail users to preserve the habitat area and remain on the paved public trail. In consideration of those private property owners, the City of San Ramon requests that trail users please remain on the trail and keep dogs on leash.

The City of San Ramon and the District require dogs to remain on-leash and under control at all times. For dog enthusiasts, the City of San Ramon has two dog park facilities that allow for dogs off-leash. These facilities are free and open to the public. The Del Mar Dog Park is located a short distance away along Del Mar Drive, along the PG&E right-of-way.

Memorial Park at the corner of San Ramon Valley Boulevard and Bollinger Canyon Road, also includes a fenced area for dogs off-leash. Memorial Park also provides separate areas for small and large dogs.

For more information, please call the City of San Ramon, Public Works Department – Engineering Services at (925) 973-2670. You can also obtain information from the East Bay Regional Park District at <http://www.ebparks.org/parks/irontr.htm>.
